## AD400 Electronic Predator Decoy Operating Instructions

### 1 YEAR LIMITED WARRANTY (Register within 15 days of purchase)

Your ICOTec product is warranted to be free of material defects and workmanship for 1 year after the date of purchase. In the event of a defect under this warranty, we will, at our option, repair or replace the product, provided that you return the product postage prepaid. This warranty does not cover damages caused by misuse, improper handling, installation, or maintenance provided by someone other than an authorized service contractor. Any return made under this warranty must be accompanied by the items listed below:

- 1) Contact Customer Service for instructions. You will need to complete a Warranty Claim form online prior to shipping product back to ICOTec for service or replacement. 419-450-3566 or [service@icotec.com](mailto:service@icotec.com).
- 2) Proof of purchase with date of purchase (store receipt)
- 3) Product should be well packed in a sturdy shipping carton with return postage prepaid to the address listed below:

### Attn.: Repairs

ICOTec  
6415 Angola Rd.  
Holland, OH 43528

This warranty gives you specific legal rights.

Specifications and product designs are subject to change without prior notice or obligation.

# Setup & Operation Instructions

## ICOTec AD400 Electronic Predator Decoy

1

### Add Batteries

Open battery panel on back of unit, place 4 new AA batteries as indicated below, then close panel. *Lithium batteries for best results in cold conditions. 1.5 volt AA batteries only.*

2

### Turn Power Switch On

Slide switch up to ON to activate decoy, slide switch up to ON/L to activate decoy with LED light for night time hunting. When finished slide switch down to OFF.

3

### Connecting to an ICOTec Caller

Remove the original battery door from the ICOTec game call (GEN2 GC300, GC320, GC350 or GC500), place the decoy where the battery door was originally and secure with thumb screw. Now you can connect the 3.5mm cable to the Decoy/AUX port in the electronic caller. Turn the caller on. Turn decoy ON, if decoy begins to run select the AUX/Decoy button on the caller remote to deactivate it. The decoy will fit the GC300, however it will not be able to deactivate the decoy. All ICOTec GEN2 Callers will activate/deactivate the AD400 Decoy with their respective remotes.

*When storing the unit for long periods of time, we recommend removing batteries from your decoy.*

*For technical questions please call our Customer Service Dept. at 419-450-3566. M-F, 8 am - 5 pm EST.*

### AD400 Battery Order

4 - 1.5 Volt AA Batteries ONLY
